HABITAT FOR HUMANITY

On 1/14, Sunshine City Kiwanis, St. Pete College Circle K, and Gibbs High School Key Club braved the near-freezing weather and worked together on three houses that Habitat for Humanity is building on 23rd Ave North in St. Petersburg. These three houses are just a house in between the three houses we helped build in October. The Key Clubbers, and Ted, from Circle K, worked on planting trees and plants around the houses. Henry TenBrink and Don Knowles worked on cleaning up the leftover wood. Bud Strawn and Ed Morris used a very dangerous-looking saw to work on the crown-molding. Vickie Jones scraped paint off the windows and cleaned the windows. Elizabeth Wulff swept, vacuumed, and peeled the paper off the tiles. Jan Merrick joined us to take pictures of the event. Last but not least, David Morris supervised all of the workers. A special shout out to Henry TenBrink who joined us in the freezing cold on his birthday! Happy Birthday Henry and thank you!

PRESIDENT'S QUARTERLY ADDRESS

It's hard to believe the first quarter of this Kiwanis year is already over. Coming through the K-Family, I was taught to constantly be reviewing goals throughout the year and reflect constantly on what we need to do to achieve our goals. As our only goal this year is Club of the Year, it's a bit hard to review that goal. Luckily, the committees have determined their own goals on how to be the Club of the Year. The following are our goals at the progress we have made so far:

	GOALS	ACHIEVEMENTS SO FAR
Service:	3000	1,034
Interclubs:	30	12
Membership:	16	8

As you can see, we are well over a 1/4 of the way through all of our goals! Great job! It also appears that the board will have a new member to vote on at our next meeting, bringing the new member total to 9. Thank you for all you are doing to strengthen our club and provide more service to the community. A special thank you to **Rodger Wells** and **Allen Yergovich** (Interclub committee); **Imogene Cordova**, **Jan Merrick**, **Judy Nicholson**, and **Pat McNamara** (service committee); **Don Knowles**, **Rick Hitt**, **George Wilsey**, **Jack Bowman**, and **Elizabeth Wulff** (membership enlargement committee) for helping us achieve our measurable goals. Thank you also to **Kenny Alderman** for completing our bingo license so we can keep fundraising money to donate for our projects. And thank you to every committee chair and member! If we keep up with our growth, we'll have no problem meeting our ultimate goal of Club of the Year.
